

Good Vibes & Bottom Dwellers

<p>Austackle Vexa Vibr Cockle Green</p>		<p>Weight: 5gm, Instant vibration with minimal rod movement. Loud, low frequency sonic vibration triggers a reaction, even from inactive fish, UV paint features on every lure, Lumo eyes on selected lures</p>
<p>Cranka Crab – Cockle Crab</p>		<p>Designed specifically for bream but as anglers are quickly finding out it is deadly on a wide range of different estuarine species. This lure features realistic floating foam claws that float up above the crabs head in the water waving around just like a real "defensive" crab. Other features of this lure include realistic soft plastic legs, tungsten base plate which comes in 2 different weights one light (3.9 grams) and one heavy (5.9 grams)</p>
<p>Cranka Crab – Glow Black 3.9g</p>		<p>Designed specifically for bream but as anglers are quickly finding out it is deadly on a wide range of different estuarine species. This lure features realistic floating foam claws that float up above the crabs head in the water waving around just like a real "defensive" crab. Other features of this lure include realistic soft plastic legs, tungsten base plate which comes in 2 different weights one light (3.9 grams) and one heavy (5.9 grams)</p>

<p>Jackall chubby vibe 40 - HL Silver & Black</p>		<p>Depth: sinking. Buoyancy: sinking. Length: 40mm, weight: 4.8g. At a size that appeals to a wide range of estuary and freshwater species, Chubby's have a tight, wide action that screams for attention. Whether you want to slow roll them over weed beds or stab and dart them among structure, Chubby's will convert lookers into scorers.</p>
<p>Jackall Lipless Crank Bait Lure Ghost Black Red Belly 50mm</p>		<p>Depth: sinking. Length: 50mm. Weight: 10g. Weighted and ballanced to swim at the slowest speeds for those really tough days when the fish are shut down.They cast super long distances with ease so you can spend more time in the water where the fish are. Suitable for Bream, Flathead, bass, and a host of other species.</p>
<p>Savage Gear blade PLU:345038</p>		<p>Stainless steel blade, Lead alloy body, BLN tournament double hooks, Stainless steel snap</p>
<p>Savage Gear blade PLU:345045</p>		<p>Stainless steel blade, Lead alloy body, BLN tournament double hooks, Stainless steel snap</p>
<p>Strike Pro Astro Vibe 45/146 146OBE</p>		<p>Length 4.5cm, Weight 9.6g, Sinking, A metal blade and a rattling vibe lure. The Astro Vibe incorporates a Polycarbonate Belly with small in-built rattles. It also allows for a transparent finish to be achieved in a metal blade and the belly section is UV for added attraction.</p>
<p>TT switchblade 1/2 2367 green back</p>		<p>Can be slowly retrieved over shallows or jigged through deep water or bounced around structure in a similar fashion to soft plastic fishing. The TT's Switchblade fishing lure has been a tournament winner and a major player on the Bream and Bass scenes. Almost anything in the estuary will bite down on the TT's Switchblade fishing lure even Big Mulloway!</p>
<p>TT switchblade 2324 red nightmare</p>		<p>Can be slowly retrieved over shallows or jigged through deep water or bounced around structure in a similar fashion to soft plastic fishing. The TT's Switchblade fishing lure has been a tournament winner and a major player on the Bream and Bass scenes. Almost anything in the estuary will bite down on the TT's Switchblade fishing lure even Big Mulloway!</p>
